Douglas Grants Awards

Two June graduates from Torrance high schools have been awarded four-year scholarships by the Douglas Aircraft Welfare Foundation, Inc., Schuyler Keinhans, chairman of the foundation scholarship committee, has just announced.

The two Torrance winners are John Jackson, 17, of 2076 W. 235th St., and Ralph Lippman, 17, of 3813 W. 184th Place. Eight other Southern California students were awarded Douglas grants for college.

All winners are children of Douglas employees who work in the company's Aircraft Division and Missile and Space Systems Division.

JACKSON, who plans to attend Loyola University at Los Angeles, is a graduate of South High School. He is the son of John K. Jackson, who works at the MSSD facility in Santa Monica.

Lippman is a graduate of North High School and plans to attend the University of Southern California. His father, Leo Lippman, is employed at the Culver City facility of MSSD.

The 10 awards provide a total of \$7,910 to assist in defraying the cost of their freshman year. Yearly maximum for tuition costs is \$600 and \$500 for other expenses. Total granted each student depends on tuition costs and whether he lives on campus or at home.

THE SCHOLARSHIPS will be renewable yearly up to a maximum of four school years or date of graduation, if a satisfactory standing in college is maintained.

Award winners, who may major in any field, were in the upper 10 per cent of their class, were active in extra-curricular programs and met all requirements for entering the college of their choice. The 10 were selected by the foundation from 225 applicants.

Airman Gerald L. Abbott, USN, son of Mr. and Mrs. Justin H. Abbott of 3814 W. 185th St., has been awarded the Armed Forces Expeditionary Medal, while serving aboard the attack aircraft carrier USS Midway, currently operating off the coast of Viet Nam.

He received this award for having served 30 or more consecutive days as a crew member aboard the Midway in a designated combat area. Aircraft from his ship have been making daily strikes against military installations in North Viet Nam and Viet Cong concentrations in South Viet Nam.
